# Airborne - Bio

## Contemporary Jazz - Smooth Jazz & Vocals - World Fusion

Sounds of passion and emotion, a multi-cultural product of the band's hometown of New Haven, CT. USA Formed in 1988 these veterans of jazz celebrate years of recordings, jazz festivals, gigs and the whole ups and downs of being musicians and has survived through today's frantic society with total dedication to their music, skills, and goals.

Airborne have been graciously proclaimed the "Musical Peacemakers" of Contemporary Jazz and have been awarded a Merit of Honor by the World Peace Organization for their excellence in World Music and as Humanitarians

Hot rhythms smoothly cruise on a cool sea of music and voices. Airborne has a beautiful trademark jazz sound of island passion and urban emotion. Music that is sensitive, straight from the heart and that echo's from deep within the soul.

### Exciting - Powerful - Motivating Musical Performances

Airborne's musical recipe takes a can of straight ahead jazz with Caribbean and Latino influences. Pour in a few tablespoons of jazz fusion and a heaping cup of urban street funk. Then cook all ingredients with pure technical talent till it gets boiling hot.

As Performing Artists, Recording Artists, Educators, and as Humanitarians the band's quality of excellence and compassion has kept them on the road to success

### What's the Word on Airborne!

"Airborne is a band with a mission, setting the objective on using their musical energies for calming an otherwise disruptive world. What the world needs is more people who do what they love to do with purpose and confidence and because they love doing it. Genuine big-hearted jazz"  
**Sandy Shore - Smoothjazz.com**

"As much new age, R&B, funk, spiritual, and world as they are contemporary jazz, Airborne is a carefully woven fabric of tantalizing sound that makes those crazy moments in our day a little less crazy. An unbeatable combination"  
**Ron Jackson - The Smooth Jazz Ride**

"The band's reputation is built on returning soulful energy, inserting vocal R & B arrangements and firing up Latin grooves to contemporary jazz by re-igniting genuine old school jazz fusion in a way that is part 5th Dimension, part Weather Report, and part Ambrosia with just a hint of Tower of Power thrown in for good measure"  
**Denis Poole. - Smooth Jazz Therapy**

### High Energy Contemporary Jazz

Highly original, great tunes, exciting and motivating live performances

Multi-faceted excellent professional musicians. The band bodes well for the media and in-person venues

A group that really epitomizes the concept of a band and takes you on a whirling musical journey packed with emotion and flawless execution
