Airborne - Bio - Tilt Records Recording Artists - (1988 - 2018)

Formed in the 1980's Airborne celebrates years of recording projects, jazz festivals, concerts, city and community events, corporate and private functions, educational workshops and residences, and clubs. The members have toured across the World

Airborne has released many Award Winning and Chart Topping CD's and has received Worldwide Airplay and International Acclaim

"Airborne has a beautiful trademark jazz sound of Island Passion and Urban Emotion

"A pleasant offering to jazz lovers who reach out for new expression"

"Real jazz by artists of integrity, whose inspiration and imagination capture your thoughts with music with a cause"

Airborne was awarded a Merit of Honor by the World Peace Organization for Excellence in World Music and as Humanitarians

As Performing Artists, Recording Artists, Educators, and as Humanitarians the band's quality of excellence and compassion has kept them on the road to success

"One has to admire Airborne, a veteran jazz band that has made inroads into the hearts of jazz fans across the world over the years. They are a supercharged carnival of musicians that add a much needed dose of global adventure to jazz" - Jonathan Widran - All Music Guide

Extremely original, creative, great compositions embraced with wonderful arrangements, the band bodes well for Media and in-person venues with exciting live performances
